PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1a (DIA). The photographic analysis for this particular report was performed by the NPIC Photographic Analysis Group.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (I) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage-maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training area or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

Voznesensk Army Barracks is located in the center of Voznesensk (Figure 1). The installation covers approximately 100 acres and contains 3 administration buildings, 5 barracks, 5 storage buildings, 30 support buildings, 2 motor parks, 2 vehicle sheds, 2 vehicle maintenance buildings, and a parade ground/athletic

field (Figures 2 and 3).

Comparative analysis reveals the area had a medium level of usage. No significant changes were observed.

DESCRIPTION OF INSTALLATION

Road Service

The installation is served by city streets.

Administration and Troop Housing Areas

Area D1 contains 2 administration buildings, 5 barracks, and 7 support buildings.

Area D2 contains an administration building and a support building. Track activity indicates usage of these areas.

General Storage Area

Area E contains 5 storage buildings and 13 support buildings.

POL Storage Area

A POL storage depot with 5 medium and 6 small tanks is located 1.5 kilometers northwest.

Equipment Storage/Maintenance Areas

Area J1 is a 600- by 50-foot motor park and contains a 210- by 50-foot vehicle shed, two 120- by 50-foot vehicle maintenance buildings, and 6 support buildings.

Area J2 is a 310- by 290-foot motor park and contains a 250- by 50-foot vehicle shed and 3 support buildings. Track activity indicates usage of both areas. Rows of vehicles/equipment are visible.

Athletic Field

Area K is a parade ground. Track activity indicates this area is used as both a parade ground and an athletic field.
